

# EMPLOYEE GIVING FORM

YOU CAN MAKE SIMPLE, REGULAR CONTRIBUTIONS TO SUPPORT THE AWESOME WORK WE ARE DOING IN THE COMMUNITY

## Employee Giving – Support the Solid Foundations Fund

SYC is committed to providing safe and stable housing solutions for young Australians who have experienced homelessness, trauma, or instability in their lives. For this reason, we have set the ambitious goal of raising \$750,000 by June 2020 for our Solid Foundations Fund. This fund is committed to expanding the infrastructure we need to sustainably deliver excellent human-centred programs. We currently have \$420,000, and need help to reach our goal.

### The first project is to expand our SRC (Specialised Residential Care) Housing

Young people living in our SRC Housing are some of the most vulnerable people that we work with and have often experienced significant trauma. Our program has been proven to help young people heal and grow into independent and happy young adults.

These results are thanks to our unique focus on creating a stable, family-like environment, enriched by specialised therapeutic care plans. Owning the properties that house these young people is a crucial part of the model. It allows us to create trust and a sense of safety as the foundation for all of the other interventions and support we provide.

### You can help give more young people a Solid Foundation

We invite organisations to help us reach our goal by supporting our employee giving program and investing in the future for these young Australians.

### What are the benefits?

Giving through a salary arrangement is a really simple way to do a bit of extra good every day.

- Workplace giving donations are pre-tax, and you receive an immediate tax benefit.
- There is no need to keep receipts, your payment is recorded on your payslip and PayG statements at the EOFY.
- There are no administrative costs.
- Once setup, all donations are taken out automatically.

Please complete this form and forward to your payroll team. SYC can be found on the Good2Give platform. For any questions regarding SYC's Employee Giving program please contact Anna Dodd on 08 8405 8500 or [partnerships@sync.net.au](mailto:partnerships@sync.net.au)
