## Foundation Skills - Construction Course

FSK20113 Certificate II in Skills for Work and Vocational Pathways

RTO 40053

### Course Overview

This Foundation Skills course is an opportunity for people looking to start work in the construction industry. You will learn new skills and knowledge and put them into practice.

This course is a combination of classroom learning and practical construction work.

### Program Details

This Foundation Skills course, supporting your language literacy numeracy and digital skills, aims to provide training to prepare participants for job opportunities with builders and contractors used by Housing SA.

On the job training at a real construction site gives you valuable work experience to add to your resume.

Our qualified Trainers will support you with all of the theory components. Learner support staff will be available to help you with any challenges affecting your study.

### Course Schedule

**Next course starts 7th September 2020.** This course is delivered full time for ten weeks.

<b>Mondays</b>	On-the-job construction training at a Housing SA property in Brompton.
<b>Tuesdays &amp; Wednesdays</b>	At-home, online learning with support from qualified trainers. You will need access to a computer and an internet connection.
<b>Thursdays &amp; Fridays</b>	Classroom learning at SYC, 135-139 Currie Street, Adelaide.

### Cost

**This fee-free course is funded by the Government of South Australia.**

### Prerequisites

A cost of \$195 (incl. GST) is required for Personal Protective Equipment and drug and alcohol testing. You will also need a White Card to start this course.

SYC will deliver White Card training prior to the commencement of the course for \$120 (incl. GST). Please request this at registration if needed. These costs may be covered by your jobactive or DES provider. Please contact them to discuss.

All jobactive clients will require an "Employment Service Provider Referral to Training" form.
