

Employment Preparation Activity

SERVICE DELIVERY PLAN

Our team of qualified and experienced trainers can help you improve your employment prospects through the Employment Preparation Activity (EPA) program. We focus on the whole job search process from finding vacancies to applications and interviews. Employment Preparation Activity is an Australian Government Initiative.

Our EPA Service

Participants can choose either the part-time or full-time course which covers a range of topics:

Learn how to understand and navigate job advertisements.

Develop your resume and cover letter.

Learn skills for completing job applications and succeeding in interviews.

Understand what's available to you in the local job market.

Develop the key skills that employers are looking for.

You will receive a manual with key information to refer to after the training.

We will provide access to WiFi, computers and printers.
